DataComm Plus: Unifying Communications, Strengthening Businesses

*Phones Plus Inc. Changes Name to
DataComm Plus*

FRANKLIN, WI - September 30, 2011 – Phones Plus Inc., a leading unified communications provider, announced today that the company has changed its name to DataComm Plus. The new name will better reflect the expertise of the staff, in addition to the products and services offered by the company. DataComm Plus provides business-class data networking, network analysis, voice and video solutions.

For over 30 years, DataComm Plus has prided itself on creating lasting relationships with its customers and has accomplished this by consistently placing their customers' needs ahead of their own. As a locally-owned and operated provider, they have

raised the collective expectation for quality customer service in their marketplace. DataComm Plus has also helped their customers leverage productivity-enhancing technology to increase profitability and gain a competitive advantage in their industry.

“We’ve been fortunate enough to work with such wonderful people over the years, and we look forward to continuing to serve the business community of Wisconsin,” states Tom Sodemann, Vice President of DataComm Plus. “In sum, it’s all about protecting our customers and giving them a technological advantage over their competitors.”

ABOUT DATACOMM PLUS
